

R8010 - Slide and Rotate Rack

*Open Rack Frame that Extends
500mm / 20" and Rotates 360°*

A simple and innovative design for quick and easy access to your equipment.

The R8010, 19 Inch Slide and Rotate Rack with cable management bar is designed for greater accessibility to rack mount equipment and cables.

The R8010, 19 Inch Slide and Rotate Rack comes with a folding cable management bar which can be fitted to the rear and extends as the rack is pulled out - eliminating cable tension.

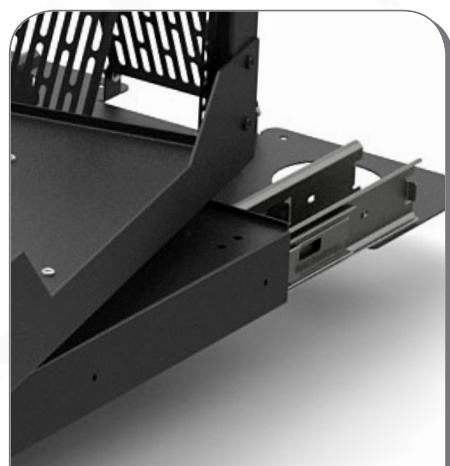

The base plate is designed to be securely bolted or screwed to a flat, solid surface to ensure maximum stability.

The R8010, 19 Inch Slide and Rotate Rack consists of a top unit, a rotating base unit and a folding cable management bar. Choose a rail height, from 2U up to 25U (recommended max height).
